new and renewal partner contracts

20+
outlet-opening requests tracked

53
Blind Vans recorded across West Sumatra

200+
training attendees hosted

Experience

Network Support Specialist

May 2026 - Present

J&T Cargo | West Sumatra

- Coordinate operational processes across field teams and headquarters, keeping information clear and approvals moving.

Network Training Specialist

February 2026 - May 2026

J&T Cargo | West Sumatra

- Delivered weekly online SOP refreshers for outlet admins; reviewed follow-up cases to shape focused training, and helped coordinate in-person sessions in Padang.
- Coached outlet teams on procedures and service expectations, adapting communication to different audiences.

Operational reporting & coordination

Prepared weekly KPI reports using Excel and shared spreadsheets; entered attendance and salary data for DSO employees and gateway daily workers in Feishu; and followed up on AWB details for finance reporting. Also prepared partner contracts, tracked outlet-opening requests, and compiled fleet usage and charges.
